The silver wing of the Republican State Convention unanimously adopted the lollowing platform:

The convention endorses and adopts the platform of the Republicas State Convention, held at Va city on the 30 of April last, as fol-

Resolved, That we condemn the Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to accomplish the complete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

The citizens of Nevalla, representatives of the various silver leagues, irrespective of past party affiliations, in convention assembl-11.11) & STABLING ed, do set forth the following declaration of principles:

First. We demand the full remonetizatian of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We are radically and unalterably opposed to the National Republican and Democratic parties on the question of the free coinage of silver and we denounce the action of their recent national conventions as inimical to the material interests of the people of the United States, and especially to WINE, LIQUOR, CIGARS those of Nevada and all the other mining states and territories, and we therefore repudiate the nominees of their convention.
